

Planned Work In Your Community

Stittsville Information Session

Thursday, June 23, 2016

6:30 to 8:00 p.m.

Johnny Leroux Community Arena Upper Hall
10 Warner Colpitts Lane, Stittsville

Hydro Ottawa will be hosting an Information Session for residents of Stittsville regarding upcoming planned work in the community. Plans include a new power line installed along the South side of Abbott Street, from Stittsville Main Street to Granite Ridge Drive. The goal is to increase the power supply capacity and improve reliability to Stittsville.

Following the project presentation, Hydro Ottawa representatives will present on tree trimming and residential conservation programs.

The Information Session is an opportunity for residents to connect with the employees who are leading this project and to find out more about the overall plan.

Hydro Ottawa is committed to delivering safe, reliable, electricity service and keeping you informed of upgrades taking place in your community.

We look forward to seeing you at the meeting.
