

HYDRO OTTAWA
CONDITIONS OF SERVICE (Version 6)

APPENDIX C

Hydro Ottawa Contracts

Appendix C: Hydro Ottawa Contracts

1. The Installation and Service Agreement (formerly the Installation and Maintenance Agreement) is a signed contract. The most current version of this agreement can be found at www.hydroottawa.com.
2. The Standard Application and Contract for Connection or Upgrade of an Electrical Metered Load Service is an implied contract (see Section 2.1.6.2).
3. The MicroFIT Connection Agreement is an implied contract (see Section 2.1.6.2).
4. The FIT Connection Agreement is a signed contract (see Section 2.1.6.1).
5. The Operating and Maintenance Agreement is a signed contract (see Section 2.1.6.1).
6. The Energy Resource Facility Access Agreement is a signed contract (see Section 2.1.6.1).
7. An Energy Resource Facility without a provincial supply contract is an implied contract (see Section 2.4.5.8).
